Exciting
& New!

Children do not come with instruction manuals or apps

This community magazine has current, research-based articles on parenting children ages 0- 19 years, written by Ph.D.s, M.D.s, Rabbis and parents.

St Louis Jewish Parents magazine aims to benefit and strengthen our community as PARENTS who want the best for our families.

Multiple opportunities for student and guest writers, proud parents and teachers, and new and established business owners.

We need you!

**Respond to calls
for content submission!**

**Send us your family members'
accomplishments.**

**Suggest other locations
for picking up the magazine!**

About the publisher

Stephanie Berk, author of "How to Potty-Train Your Dragon Child," is a mother of 4 boys. She has a degree in Human Development and Family Studies from Cornell University, a Ph.D. in Experimental Psychology from University of Connecticut, a Post-Doctoral Fellowship in Language Acquisition from Yale University, and a Post-Doctoral Fellowship in Neuroimaging from Washington University. She brings her academic experience and training in child development together to create this new resource for parents in our community.
